Frequently asked questions

What are the entry requirements to enrol with UPI ?
Students must be at least 18 years of age and have completed high school.

Do I need to submit IELTS or TOEFL results to enrol with UPI ?
No. Students are not required to provide this. If English is not a student's first language the student will need to demonstrate that they have suitable English language literacy and numeracy skills to complete the university pathway program. We may ask a number of written and verbal questions to be satisfied with a student's minimum required English proficiency.

Do I need a student visa to enrol with UPI?
No. All courses are offered online and designed to be completed in your country of residence.

What form of on-going assistance do you provide to students?
Students will get the chance to interact with teachers and mentors and get the help and guidance they need to successfully complete their studies. This is done through any number of communication forums including one-on-one coaching, interactive webinars and a social learning forum.

Do I need to attend any exams?
No. There are no exams to attend with any of our courses. However, you will be asked to complete a number of assessments to be submitted online.

Can I apply to enrol with universities not listed on the UPI website?
Yes, many universities will accept the Level 4/5 Extended Diploma of Management as meeting the minimum requirement for entry and credit transfer. We encourage students to apply directly with any university, however, we advise that UPI does not guarantee success of entry or credit transfer with any university that is not identified by us.
